# A Great River Road Trip –

The Wisconsin Great River Road, part of the national scenic byway that runs 3000 miles from Minnesota to Louisiana was just designated as an All-American Road! In order to become an All-American Road, the byway must be nationally significant, include one-of-a-kind features that don't exist elsewhere and provide an exceptional traveling experience that becomes the primary reason for your travel.

Created in 1938 and stretching through and beside 10 states, the Great River Road is the longest such designated roadway and one of the oldest. The 10-state Mississippi River Parkway Commission works to promote and preserve the byway. Wisconsin's Great River Road is a 250-mile stretch inclusive of 8 counties and 33 timeless river towns along the Badger State side of the Mississippi River.

The Wisconsin promotion group launched a multi-faceted campaign last year to encourage visitors to explore the western water-border communities of the state. A second year's promotion, which starts May 1, will include Deals, Getaway Weekends and a Sweepstakes.

For further information, visit [WIGRR.com](http://WIGRR.com), [Facebook.com/greatriverroad](https://www.facebook.com/greatriverroad) and other social media platforms.

While the Traveler suggests a trip along the entire Great River Road, our "piece of the pie" begins in Bay City, Wisconsin. As the gateway to Lake Pepin, Bay City offers an introduction to the area and what the Wisconsin Great River Road offers. Find

antiques, food and a beautiful park with access to swimming, camping and more. The gem in Bay City is the Chef Shack!

The Chef Shack began as one of the first food trucks to ever hit the streets of Minneapolis. Currently, the Chef Shack found its home in Bay City, about an hour drive from the Twin Cities. "The shot gun bar turned restaurant is intimate, with a fireplace going in the front, candle lighting across the tables and bar, and a lovely back patio right on the water." Their food and attention to flavor and detail is unmatched. Plan a meal at Chef Shack in Bay City soon...reservations are highly encouraged!

Continue down the Great River Road to Maiden Rock offering a creative flow of life. There are beautiful options for lodging along the way. Maiden Rock Barn and Journey Inn, an eco-retreat, are just a couple of the scenic spots to stay along the way.

Moving along the Wisconsin Great River Road you'll see many sites to stop and take a selfie or just enjoy the calm and beauty of the bluffs, the lake and the wildlife. Learn a bit of the history of this area along the way as well. Maiden Rock Bluff is an historical marker that you'll see between Maiden Rock and Stockholm.

Next up, Stockholm...Small Village, Big heART. The magic of Stockholm is found in its unique shops, shopkeepers and focus on all things art. Described as a shopping destination, Stockholm offers a wide variety including custom-made jewelry, handmade and locally made works of art, authentic clothing,

products with purpose, high end home items for entertaining and so much more. With two new eateries in the village in addition to the nationally acclaimed Stockholm Pie and General Store...there's plenty of choices for eats and treats after a bit of shopping. A quaint atmosphere, locally sourced foods and outdoor seating available. Call ahead to The Palate for a charcuterie board and wine by the glass for a more upscale stop.

If you are visiting us in the summer, there's a good chance you will see a Farmers Market or drive by one of many local farms that offer produce, plants, eggs, farm tours and an all-around family friendly experience. Twin Bluff Farms will host their first outdoor community market of 2021 on June 12th from 9am to 12 pm. Catch the weekly Friday Market from 4-7pm weekly in Stockholm at Humble Moon Folkstead and Saloon (May 14-Oct 15). Tip Top Farm and Garden offers farm tours and hayrides including a trip to the Palate to enjoy a cooking class! There is truly an option for everyone!

Conservation efforts are abundant throughout this area. Lake Pepin Legacy Alliance advocates for local restoration to improve water quality, habitat, and accessibility in Lake Pepin.

Heritage Woods LLC, located between Stockholm and Pepin, landscapes with native pollinator friendly plants and shares their knowledge on care and nurturing of local pollinators.

## You Hoo Scandihoo!

Welcome one and all to Scandihoo—the cozy, Nordic hygge (we say "hooga") shop newly situated in the hygge village of Stockholm, Wisconsin.

Long ago, local artists and residents, Kristin Smith Procter and Tracy Tabery-Weller fell in love with the Scandinavian design aesthetic of their Nordic roots. The two have styled their lives and homes around those principles so when the owners of Ingebretsen's decided to give full-time focus to their Minneapolis store the duo seized on the opportunity to fill the gap with their own brand of Nordic pop and a kick.

Blending traditional craft with a fresh, modern aesthetic that embraces Scandinavian style and creativity, Scandihoo's Nordic collection will include sustainably hand-crafted clogs, cuckoo clocks, uni-

sex accessories, especially-for-men products, and just enough botanical and world culinary temptations to delight all of the senses. Think cookies, jams, fresh lavender, essential oils, funky stationery, birch bark candles, sauna supplies, colognes, wool blankets, and even a Viking-esque shot glass selection crafted from antler horns.

Local and world craft will meet clean lines and bright color in the well-established Lake Pepin location as the visionary owners have decided not to set any limits on the artisan's geography, nationality, or imagination. "Inclusivity is the soil in which we've planted our artistic roots, and the local community is where we plan to strengthen and bloom," say the two friends and collaborators.

Shop opener is scheduled for April 23, 2021 with a 'Midsommer Grand Opening Scandihootenanny' planned for June 24, 2021.

**RIVER ROAD** continued from page 2

Now that you've been site seeing, snacking and shopping, it's time to round out the day with a meal that's award-worthy. Once you reach Pepin, the choices are endless for charm, sophistication and delicious dining. (See page 15 for more dining options in Pepin) One thing you must do, and everybody does, so be prepared to wait, is make a stop at Pepin's Harbor View Café. 40+ years of eclectic food in a congenial and casual atmosphere will surely be a most memorable stop. Outdoor seating available and the breathtaking view of Lake Pepin and the marina.

According to Huffington Post, the prettiest drive in the nation is practically in your backyard. We are proud to represent this piece of the Wisconsin Great River Road and hope that you are ready to find out for yourself just why this route is a national scenic byway and now, an All American Road. Enjoy!

**MORE TIPS:**

**Getting there:** It's 1½ hours from the Twin Cities. If you drive via Prescott, stop to check out the Great River Road Visitor and Learning Center on Wisconsin 35 south of town, overlooking the confluence of the Mississippi and St. Croix rivers.

**When to go:** On Thursdays and Fridays in summer, nearly all the shops and restaurants are open, but there's less motorcycle traffic on the River Road.

A few shops close for a day early in the week, but most are open daily through October, then weekends through Christmas; they close for winter and reopen for weekends in March. Visit [www.stockholmwisconsin.com](http://www.stockholmwisconsin.com) for the latest updates on hours and events.

Non-motorcyclists may want to avoid the April 17th and September 18th benefit Flood Runs, when thousands of bikers circle Lake Pepin.

**Where to stay:** In addition to the traditional vacation rentals, B&Bs and motels don't forget to check out the YMCA Camp Pepin. Now offering family cabin rentals on the beautiful Lake Pepin with access to hiking, kayaking, swimming, canoeing, disc golf and campfires.

**More to do:** Go Sailing!! Contact Captain Beth M. Anderson, a boater and water enthusiast since birth, to schedule your tour on Lake Pepin. The perfect activity for your family, celebrations, relaxation, healing or company gathering. [www.wimnsail.com](http://www.wimnsail.com)

# MAIDEN ROCK

## Where Legend & Beauty Come Alive on the Shores of Lake Pepin

You will find us one hour south of the Twin Cities on Highway 35 along the Wisconsin Great River Road. Sharing the confluence of the Mississippi and Rush Rivers and sitting on the banks of Lake Pepin, we are the epicenter for incredible sunsets, spectacular nature trails on both land and water and memory-making experiences.

Our quaint river town has a rich history—named in the 1850’s after the tale of an Indian maiden who leapt from the 400-foot bluff rather than marry a man she did not love. Our history is old but our spirit is contemporary with shops like Cultural Cloth offering handmade home décor and accessories by artisan women from around the world. Or visit The Nest, a recently opened gift shop specializing in locally made arts and crafts such as scented candles and one of a kind art pieces and pottery.

Choose extraordinary lodging at the eco friendly Journey Inn or country classic Maiden Rock Barn. Planning a special event? Check out the Maiden Rock Retreat or Liberty Tree Farm for unequalled guidance and event spaces beyond compare.

We’ve all learned to go outdoors and Maiden Rock is home to an array of wildlife (hoofs, feathers and fins) and outdoor life (hiking, biking, paddling, swimming, camping, bird watching, picnicking and exploring). Maiden Rock’s stunning landscapes extend through hills, valleys, and bluffs—we welcome you to enjoy them all this year!

Visit us online for more info about all we have to offer!

Camp Pepin is located in the beautiful Mississippi River Corridor on Deer Island, just 3 miles downriver from the village of Stockholm, WI. We are a part of the Red Wing YMCA and have been hosting campers on this property for over 85 years and are delighted to share the many opportunities camp has to offer with you and your family. Our mainstay is the Summer Resident Camp that provides children a space to explore, try new adventures, and grow under the care of our trained counselor team. Children are immersed in our natural world while cooking outdoors, paddling a canoe across the lake or striking a bull's eye on the archery target. And new this year, we are offering many of these great traditional camp activities in our Day Camp programs operating Monday through Friday from 9am to 4pm.

We often hear parents of our camper's say, 'I wish I could come to camp for a week!' Well now they can. Family Camps have been added in 2021 for a weeklong family adventure in the summer and 3-day weekend camps for families in the fall. Families can choose from the traditional camp activities and get time on the river, exploring the bluffs and closing the evening with a cozy campfire.

When we are not hosting camp programs, you can rent our cozy camper cabins or fully equipped retreat houses and create your own adventure. Our cabins and lakefront are a great place for all of your guests if you are hosting a family reunion or a wedding. Come and see us. Create memories and friendships for a lifetime at Camp Pepin.

## Discover Italy in Pepin, Wisconsin

On the Wisconsin Great River Road in Pepin, Wisconsin, travelers can discover a unique winery experience inspired by Italy!

At Villa Bellezza Winery and Vineyards you'll savor the best of life like the Italians do--lively gatherings with family and friends on the piazza, enjoyed with great wine and country-Italian food, surrounded by vineyards and Italian-inspired architecture.

In the tasting room, guests enjoy Villa Bellezza's award-winning wines made from local grapes. Great wines come from all over the world – including from Pepin, Wisconsin. Villa Bellezza wines consistently catch the attention of international wine critics.

With social distancing and safety precautions in place, guests can take part in a wine tasting and taste the tradition and innovation that goes into crafting their award-winning wines. For those who want more of Villa Bellezza there's the Il Circolo Wine Club where members enjoy exclusive member events hosted by the winemakers, first access to new wine releases, and member-only promotions and discounts.

Villa Bellezza's country-Italian restaurant, il Forno, offers a perfect opportunity to pair their award winning wine with delicious Italian food in a casual setting. Il Forno chef, Antonio Ceconi, was born and raised in Italy, where he learned his craft at the best school, his mother's kitchen. You'll feel at home as you enjoy a menu that includes pizzas made from scratch, pasta dishes baked to perfection in the il forno wood-fired brick oven, or come for one of Chef Antonio's weekend dinners. Guests can dine at socially-distanced tables in the restaurant or fountain-side in the open air of Piazza Bellezza.

Villa Bellezza also has many private event spaces to explore--spaces for life's celebrations. For weddings both large and small (what's more romantic than whisking away to get married "in Italy"?), birthdays, anniversaries, or just a private dinner for two in a tower.

Villa Bellezza invites you to visit and become part of la famiglia Bellezza! Just a short day-trip from most metro locations, you'll feel as though you've been transported a world away. # Enjoy a different view of the WI Great River Road

Whether you're in the sky looking down or on the ground looking up—being around a hot air balloon is

a magical experience. And it can be yours starting summer 2021 with the Lesmeister Balloon Company's new

offerings in Pepin.

Owner Mike Lesmeister, aka the "Flightmeister", will be selling two and four passenger champagne flights out of Pepin. Among his fleet of aerostats are the Peacock, a colorful black balloon with a peacock pattern on two sides with red, orange, yellow, blue, purple and pink striping. Another favorite is the Phoenix, bringing the Greek mythology story to life. You might see the Phoenix soaring along the Great River Road—a bird associated with the sun and regeneration

ter, MN. Lesmeister had originally planned to start the Pepin ride selling business in 2020 but COVID-19 put off the venture for a year. He's a commercial pilot with 25 years of ballooning experience and about 750 hours of pilot in command flying. He's also a balloon flight instructor.

"As we acquire property, plans are underway for a ballooning museum and possibly a balloon festival or rally" he said. You can get additional information, flight rates and book a ride by calling 507-280-0480 or email flitemeister@gmail.com. ✨

The Pickle Factory – also on the waterfront, The Pickle Factory is perfect for boaters with a convenient dock on Lake Pepin. Choose from their full menu and bar either outside on the deck overlooking the Mississippi River or their river level patio. Indoor options include their casual dining room, bar or the Bottom of the Barrel.

Il Forna – located at the Villa Bellezza Winery & Vineyards on Highway 35, Il Forno creates authentic Italian fare you can enjoy inside or out on the Piazza that's modeled after a Tuscan village. Pets are always welcome in outdoor spaces. Villa Bellezza wines have won national and international awards. Open for lunch and dinner 7 days a week, year-round. Enjoy the tasting room and ask about tours.

The Garden Pub – outdoor and covered dining, wine and beer bar also along the Great River Road in Pepin. The Garden Pub offers burgers, sandwiches, pizza, salads and daily specials. Their outdoor game area, Tiki Bar beside the main building and live music are unique additions. You can even enjoy an ice cream cone or fudge at their shop next door.

Finger lickin' ribs, chicken, pulled pork and shrimp to eat right there or take some home. Also at Country Stop—a huge selection of locally grown fresh seasonal berries, fruits and vegetables. Also choose honey, jams and jellies, syrups, cheese, fudge and award-winning meats.

The Homemade Café – best, made from scratch breakfast this side of the Mississippi River! # Feel Worlds Away in Stockholm

Stay close to home....feel worlds away!

After a year of sheltering or isolating at home, we all want to leave home in 2021. But probably not too far away from home. How about an easy drive to Stockholm, Wisconsin where it feels like you're worlds away.

Just 60 miles from downtown St. Paul or 70 miles from downtown Minneapolis, the Mississippi River town on the shores of Lake Pepin makes a perfect day trip or pack a bag for a multi-night getaway.

Here's a list of why you should visit Stockholm this year:

1. You want a safe, outdoors-oriented destination. Take your pick—hiking, biking, camping, farm walks or take to the water for fishing, boating, kayaking or swimming. If you didn't bring a bike, hop on a blue bicycle from the bike racks in town and enjoy a spin, compliments of a community bike program.

2. You want incredible scenery. The Stockholm area, often referred to as the West Coast of Wisconsin, sits between sparkling Lake Pepin and the craggy bluffs of the northern end of The Driftless Area of Wisconsin. This stretch of the Wisconsin Great River Road was voted the "prettiest drive in America" by Huffington Post readers. Go up on the hill from Stockholm and check out Wisconsin Rustic Road #51. It's 4.3 miles of narrow, winding, uphill gravel road frequently crossing a trout stream in the midst of dense woodlands. You'll be talking about it for years!

3. You want a foodie favorite. Start at the Stockholm Pie & General Store. Road Food Guide keeps it on their 100 best places to eat list, Splendid table was crazy about the pot pie. Then there's USA Today calling Stockholm Pie one of the 18 legendary pie shops in America! Two new Stockholm eateries opened this spring—Humble Moon Folkstead Saloon plus Hop Dish Vine, a local centric gastropub with the theme "Make Stockholm Weird Again". Gotta check that one out!

4. You want world-class shopping. The village is consistently ranked as a top shopping destination. Artists and shopkeepers embrace the philosophy of "shop small, shop local" with shops and galleries, the latest fashions and accessories, Amish furniture, Scandinavian boutique and gourmet kitchenware.

Historic Stockholm embraces the arts, culture, music, great food and fashion and hospitality as well as history, conservation and the environment. Make 2021 your year to get out of the house and enjoy a "world's away" experience right here close to home. 🌸
